

Dear Sirs,

Shipment Information System Version 2 goes live!

Please switch to SIS2.0 now at <https://app.cargoemotion.com/sis2.0> as SIS1.0 will be closed in less than 1 week time. Your current login and password remain unchanged.

SIS2.0 works very similarly to previous version. After you log in SIS2.0, under the Help menu there is a SIS2.0 User Manual that provides detailed guidance. Please remember to bookmark SIS2.0, so that you can go to that page directly next time. You can also enter SIS by clicking E-polytra on www.polytra.be
